

DPS USB

USB module

1. GENERAL INFORMATION

Dear customer,

thank you for choosing our product. In the following, we will show you how to connect the USB-module with the JT-DPS5005, JT-DPS5015 and the JT-DPH5005.

Should you encounter any unexpected problems during use, please do not hesitate to contact us.

2. INSTALLATION

The lab power supplies can be expanded with the USB module which allows the adjustment of the power supply via your PC.

The module will be connected with this port and is immediately ready for use. The position of the depends on the power supply.

Moreover, it is possible to mount the module with one of the lab power supplies in the JT-DPS-Case which is optionally purchaseable.

First of all, attach the spacers at the module with two nuts.

The module will be screwed tight from beneath the case.

The module must be plugged in the main board.

3. FURTHER INFORMATION

Our information and redemption obligation according to the electro-law (ElektroG)

Symbol on electrical and electronic products :

This crossed-out bin means that electrical and electronic products do not belong into the household waste. You must hand over your old appliance to a registration office. Before you can hand over the old appliance, you must remove used batteries and accumulators which are not enclosed by the device.

Return options :

As the end user, you can hand over with the purchase of a new device your old appliance (which has essentially the same functions as the new one) free of charge for disposal. Small devices which do not have outer dimensions greater than 25 cm can be submitted independently of the purchase of a new product in normal household quantities.

Possibility of restitution at our company location during our opening hours :

Simac GmbH, Pascalstr. 8, D-47506 Neukirchen-Vluyn

Possibility of restitution nearby :

We send you a parcel stamp with which you can send us your old appliance free of charge. For this possibility, you must contact us via e-mail at service@joy-it.net or via telephone.

Information about packaging:

Please package your old appliance safe during transport. Should you not have a suitable packaging material or you do not want to use your own material, you can contact us and we will send you an appropriate package.

4. SUPPORT

If any questions remain open or problems arise after your purchase, we are available by e-mail, telephone and with a ticket support system to answer these.

E-Mail: service@joy-it.net

Ticket-System: <http://support.joy-it.net>

Telephone: +49 (0)2845 98469 – 66 (10 - 17 o'clock)
