

# JOY-VIEW 15

Portable 15.6" USB-C Display with Touchscreen

Whether web content or games, notebook, smartphone or game console, the Joy-View is a display for every occasion.

The Joy-View was developed for the USB-Type-C interface and has, in addition to its Full-HD resolution, a high-quality touch screen. Many other devices, such as game consoles, are supported via an additional mini HDMI port.

The enclosed Smart Case protects the Joy-View not only during every transport. The case's adjusting function also ensures a safe, upright stand. So with the Joy-View you are prepared for every application.
