

# PI5 PLASTIC CASE

black / gray with fan

The original case for the Raspberry Pi 5 in black/grey is a robust and aesthetically pleasing case designed specifically for the Raspberry Pi 5. It offers optimum protection for the circuit board, while all connections and GPIO pins remain easily accessible. The case is made of high-quality plastic and has an elegant two-tone design in black and gray. A special feature is the integrated fan, which ensures efficient cooling for the Raspberry Pi 5 and thus enables stable performance even during intensive use. The design is user-friendly and assembly is quick and easy, making this case the ideal choice for Raspberry Pi enthusiasts.

## MAIN FEATURES
